Eagle-eyed viewers of hit BBC comedy *Rev* will have seen star Tom Hollander flicking through a *Razzle* during a sperm test, and a copy of *Escort* making its way into church. And *The Wire* seemed to have the US edition of *Club* in pretty much every episode. And *Club International*? Well, we're saving ourselves for something truly special. In fact, we'd happily do a medieval themed issue if it would get us into the brilliant *Game of Thrones*. Yes, we're obsessed. ♣

Dear Club,
On my last birthday, my friends Bob and Carol gave me the best present I've ever had. Before I tell you what it was, I'll tell you a bit about Bob and Carol. While I'd had a thing about Bob throughout school, it wasn't until the 6th form ball that I did something about it. We were both quite drunk when I cornered him outside the toilets. After I'd told him how I felt, he dragged me outside, and we fucked literally in the bike sheds. Unfortunately it was to be the one and only time I had his dick inside me, although we remained close friends from then on.

Carol was always my best friend at school, and after we'd left we rented a flat together. And one night when we were tipsy on Blossom Hill, a friendly fumble led to us having a short-lived, but highly-sexed, lesbian affair, which only ended when she moved out of town for a new job.

One day I got a call from Carol. "Hi, sweetheart," she said. "Guess what? Remember that bloke you fucked in the bike shed?"

"Bob? How did you know about that?" I asked.

"Because I'm fucking him now," she revealed, with a high-pitched shriek. "And we swapped a few stories when we got drunk last night. Small world, eh?"

We both burst out laughing, and when we'd calmed down, Carol said, "Anyway, we were thinking – since you're single at the moment, and you've got no handsome prince to whisk you away on his charger, we'd love you to come on holiday with us for your birthday."

"That would be great," I replied. "But wouldn't I get in the way?"

"Quite the opposite," Carol replied.

I met Bob and Carol on the eve of my birthday. We all went for dinner at their favourite local restaurant, and got tremendously drunk. During our drinking session we joked about old times and our relationships with one another. At ten minutes past midnight we toasted my birthday, then, after Bob paid for the meal, Carol said, "Bob and I are going upstairs to prepare your surprise present. Give us fifteen minutes and join us." Carol handed me their spare swipe card, and off they went. I was intrigued!

Fifteen minutes later I was standing outside their door full of anticipation. I took a deep breath and swiped the card in the electronic lock. I walked into an L-shaped room – Bob and Carol had to be in the section not visible when you walked into it. I followed the wall around, and what greeted me, well – to call it a surprise would be the understatement of the century. Bob and Carol were both stark naked. He had a red ribbon tied into a bow on his erect cock, and she was spread-eagled, with the words "Come and get it!" and an arrow pointing to her shaven snatch scrawled in lipstick on her tummy.

"Put your eyes back in their sockets," Carol told me. "And get your tongue over here – Bob and I thought you'd like to take a trip down memory lane with us."

My face must have been a portrait of shock, because Bob suddenly said, "Bad idea?"

"No – very good idea!" I replied. "But first, would you do something for me?"

"Such as?" asked Bob.

"Fuck," I said. "I want to watch you two fucking doggie-style."

In unison Carol and Bob retorted, "No problemo," then burst out laughing.

As Carol assumed the position, I undressed. Then, sitting on the edge of the bed double-digit-diddling my pussy, Bob mounted my ex-lesbo lover turned bisexual bitch. It was the hottest thing I'd ever witnessed watching his dick slam in and out of

LEGS UP TO HER BUM!

Dear Club,
How do you do it? *Club* is phenomenal at finding the cream of the most beautiful and sexy girls. But Leanna (Vol. 41, No. 2) takes my vote for the crème de la crème. Her fantastic, sensuous, sultry looks combined with those legs nearly knocked me off my feet. The pic of her on page 10 is simply the best I've ever seen in *Club*. Please reward her with a centrefold ASAP. Keep up the good work and plenty more great legs in the mag please!
Tim, Suffolk.

Cheers Tim, your letter really gave us a lift in the office. We're glad Club can still put a pep in your step. As for Leanna, yep, she really does work that pose on page 10, doesn't she? If we bent over like that, we'd probably slip a disc, but she makes it a thing of graceful ease. Watch out for more Leanna soon!

TAYLOR MADE!

Dear Club,
I've been a Club reader and collector since 1980. In this month's issue (Vol. 41, No. 3) I was outraged with anger reading about Natalie Heck and her tragic short life. I found your magazine this month piping hot with gorgeous girls. I loved and admired Taylor on page 5, she can wrap her legs around me any day of the week. Absolutely beautiful legs. I'm a stocking and suspender fanatic and this particular issue catered for my dreams (great issue). When I got to page 42, which is the girl of the year, I completely disagreed. Here's why – they are all winners in my book. They are all gods beautiful creatures and I love them all.
Graham, Cornwall

Yes, a big shame about Natalie Heck's premature death, we were big fans of her films here at Club. But we're glad you enjoyed the issue and the delightful Taylor. As for girl of the year, we agree with you on that. We bow to the democratic vote of our readers but, personally, we love them all!

Carol's twat, every stroke causing her to gasp in rapture.

My fanny was juicier than a Georgia peach, and I wanted Carol to know it. So I slid beneath her and pulled my cunt lips apart. She got the message, and dove in.

As she lapped away at my honey-hole I felt Bob increase the power of his thrusts, evidently extra-turned on by what was happening. Suddenly I was overcome by an almighty orgasm, squirting Carol in the mouth. She screamed, "Yes!" Bob shouted, "I'm cumming!" And the three of us became a blissful blur of ecstatic flesh.

It was certainly a birthday to remember – especially as we continued to fuck and suck each other senseless right through the night!
Ellie, Bradford. ♣

SABRINA ♣

We repeat: Not a teenage witch!

Some things are timeless, and one of those things is a beautiful girl with long legs wearing high heels.

"I love these shoes," gushes Sabrina, a Scottish babe who – fact fans – supports Hamilton Academicals. "They're my favourite pair. There's something so sexy about wearing just heels when I'm with a man. Having him lie on his back, cock sticking in the air, while I parade in heels and then eventually I lower myself onto him. That's what heels were made for."

We have no hesitation in telling you, Sabrina, that you've just given us an erection.

"Well, I'd better get my heels on then..." ♣

Club's Rough Guide

Spring has sprung, and this month it's all about blooming Blighty. Matt Loxham opens a bottle of Pimm's and takes a look at three sporting events that feature the best (and worst) of British...

The Boat Race – River Thames (Putney to Mortlake)

7th April

It's the age-old sporting question, asked once a year and usually in early-April: Why do so many people care about the Oxford and Cambridge Boat Race?

In 2011 around a quarter of million spectators watched from the banks of the Thames, along with a television audience of over four million. Impressive stuff. Particularly when you consider that the event is essentially just a bunch of students seeing who can row down a river fastest, weighed down by their big brains, floppy haircuts and a Fortnum & Mason hamper.

Perhaps viewers are hoping the crews will sink, as happened to Cambridge in 1978 and Oxford in 1925 and 1951. In 1912, both teams went down into the drink. Or maybe people tune in en masse to see if one of the boats crashes into a barge, as Cambridge did in 1984.

Either that or it's the tradition. After all, the Boat Race has been going off and on since 1829, the result of a challenge between two rival students – presumably after ten pints of cheap lager in the union bar. It has to be said, there's something strangely reassuring and British about an event that's got loads of history, is a bit pointless, and which comes with funny little terms such as 'Middlesex Station', 'Surrey Bend' and 'Cox'.

For the record, Cambridge have marginally the best record in the race, winning it 80 times to Oxford's 76 with one draw. The course is just over four miles long, a distance that the crews

generally take around eighteen minutes to complete. Unless, of course, on the hundredth anniversary of the first double sinking, both boats once again end up in the turdy Thames. Not that we want that to happen, of course, it just might.

The US Masters – Augusta National Golf Club

5th to 8th April

The first major golfing tournament of the year is a little bit different from the rest. It's the only one to be always held at the same course, the Augusta National, and the only one where a green jacket is awarded to the winner. It is also generally considered to be the most difficult to win.

Unlike the other three 'majors' the Masters doesn't allow amateurs to qualify, and features a smaller, crack field of 90 players including the entire top 50 on the Professional Golf Association (PGA) rankings.

Certainly, over the years Brits have found success at Augusta National particularly hard to come by. The last Englishman to win the Masters was Nick Faldo way back in 1996, and for the Welsh and Scots you have to delve into the history books even further, with Ian Woosnam champion in 1991 and Sandy Lyle in 1988. No Irishman has ever sported the coveted green jacket.

However, if there was ever a year in which this really quite dismal record might be improved, then 2012 has to be the one. Britain, at the time of writing, boasts the top-three PGA ranked golfers on the planet – Luke Donald and Lee Westwood flying the flag for England and Rory McIlroy for Northern Ireland.

Not only are the trio battling it out to be number-one in the world, but each has a point to prove in the Masters. Donald will want to build on last year's impressively consistent performance that saw him finish tied for fourth place, as will Westwood, who wasn't far behind tied for eleventh.

McIlroy, on the other hand, has some serious demons to exorcise after a spectacular capitulation at Augusta in 2011. The talented Ulsterman led the field for three days and was four shots ahead going into the final round. After nine holes McIlroy still had the

lead, but a disastrous triple-bogey on ten prompted a collapse that would see him slump to a tied fifteenth place finish.

Take this trio of home hotshots, throw in a resurgent Tiger Woods, an in-form Steve Stricker and the talented young German, Martin Kaymer, and the scene is set for a thrilling US Masters. But surely a British champion is more than overdue...

Grand National
Aintree Racecourse
April 14th

There's something uniquely thrilling about the Grand National. It's not just the race, it's the entire day. In the morning you either stick a pin in the newspaper or waste your time studying the form.

After the bets are placed there'll be the interviews with all the tipsters, pundits, trainers and jockeys, during which time you'll end up changing your mind and putting on more punts until you've got money riding on around half the field. This might still not be enough to guarantee a return.

You'll well up during the footage of Bob Champion's famous victory on Aldiniti, and the tributes to Red Rum's trainer Ginger McCain, who sadly passed away in 2011. The tears of sorrow will turn to frustration during the inevitable interview with Stan Boardman, who will dust off some turgid old jokes for the occasion.

There'll be a former Liverpool football player who co-owns one of the favourites. A plucky syndicate 'having a great day out' who bought one of the no-hopers for £20. He'll be called 'Glueboy', probably. It's all part of the build-up. Also, on the debit side, there'll be the stilted badinage between Claire Balding and Willie Carson, which slows time to a crawl.

There'll be the usual facts and figures shouted at us, about how much we flutter on this day of

days, in a race that's a bloody lottery, to be honest.

At just before four the horses will finally be down at the post, the jockeys jostling for the best position and the starter bellowing at them to 'get in line'. A loud cheer and we're off; the cavalry charge down to the first fence... Of course, that's if there isn't anyone planning on scuppering the race for political reasons, which is always an exciting possibility.

Several horses have already

> **"In the inevitable interview, Stan Boardman will dust off some turgid old jokes for the occasion"**

shown their credentials for glory in the 2012 Grand National. Seabass, the potential mount of race specialist Ruby Walsh, and the current ante-post favourite Prince De Beauchene both impressed in recent trials, and last year's winner Ballabriggs is set fair for another crack at the huge fences, although with the inevitable burden of a bigger weight.

The so-called 'Housewives' Choice' is likely to be Chicago Grey, purely because the British housewife historically loves a grey horse. Alas, not since 1961 and Nicolaus Silver has one managed to win the National, but after an encouraging prep race Chicago Grey might be about to change all that.

Unless, of course, it falls at the first, gets bumped by another horse, doesn't stay the distance, chucks its rider off at Becher's Brook, slips on its arse on the home straight...after all, this is the Grand National. ♣

Hot Wet Lesbians

(Viv Thomas)

We can confirm that the lesbians contained in this film are indeed hot and, yes, tests prove they're most definitely wet as well. But of course they are, this is Viv Thomas lesbian action, and he's never been known to serve us Cold Dry Lesbians. Highlights see Blue Angel and Angelina Wild getting, erm, wild together, while VLT mainstays Vera and Jo are always welcome. Michelle Moist and Shay Hendrix bring up the British end of things, injecting some nastiness, or there's the top-end Sapphic slurping of Eve Angel and Sandra Shine to enjoy. Expectations met.

★★★★★

Like Sister, Like Slut

(Digital Playground)

Despite the world's economy being fucked, Digital Playground are still investing heavily in top notch pussy for our viewing delight. The standard of their contract girls hasn't dropped 1 percent. Riley Steele and Breanne Benson headline here, playing sisters. The former has Scott Nails sharing her bed, the latter wants him to share hers. It's a slender story, but who the fuck cares when these two plus Kortney Kane, Brooke Haven and Monica Santhiago are all on hand to reduce the amount of sperm the blokes in the film have to carry around in their nuts?

★★★★

Katwoman XXX

(Bluebird)

Bluebird have all the right ingredients – fantastic British girls, a budget big enough to bring in some lovely Yanks and Europeans – but their chef can't really make a palatable meal out of them. The parody thing is beginning to get tiresome now any way, and the dialogue and plot here is beyond phoned in. But the real crime is how girls like Natasha Marley, Andy San Dimas, Kagney Linn Karter and Anna Lovato can be combined to make a porn film that doesn't get out of first gear. With this cast, this counts as a major disappointment.

Let us spray...

If you're going to be a porn starlet, what better name to take than Heather Starlet? That's half the job done for you.

"Yeah, it's pretty straightforward," says the star of such classics as *Please Make Me Lesbian*, *Tinkle Time 3* and *Big League Squirters 4*. "You decide on your porn name pretty early on, when you get an agent. I decided to stay away from being another 'Jenna' or 'Sunny'. There are lots of those already!"

Wise choice.

"Heather is my real name, and Starlet just came to me in a flash. What do you think?

We like it. But we could just be saying that because you're romping naked for us in a shower, and your nipples are all pointy and water is dripping from your beautiful pussy. These kinds of things would make us agree with pretty much everything you said and did... ♣

Hot tub sex machine...

When you've got reader favourites Danielle Maye and Krystal Webb together, it's best not to overthink things. We thought about a futuristic sci-fi scenario, sort of like *Barbarella* but without that loser Pygar. But then we saw that big outdoor tub, filled it with water, and let two of the sexiest girls in Britain splash about in it. Sex and hygiene – what could be better?

"I got soap in my eyes," Dani says.

"The water was too cold," opines Krystal.

"But it was worth it, because I could suck on her boobs all day," Dani then says.

"Right back at you," offers Krystal.

And that's how we left them, sat in cold water sucking each other's boobs. Magic. ♣

Bayan Sonic Air 3

HTC Sensation XE

Amazon Kindle Fire

HTC Sensation XE with Beats Audio
£430
www.htc.com

We've made the point before – no-one who knows anything about hi-fi would pay retail price for Beats by Dre headphones. Especially not when twinning them with shitty 128k rips on a Nano. Still, they're absolutely everywhere, and so it's a great marketing ploy for HTC to strike a deal with them in their ongoing battle with Apple. It means phones move further away from being phones and nearer to being mp3 players that let you text and check the internet, but in what way is that a bad thing? It's a very smart move in the smart phone world.
Pros: Lovely HTC screen, iBeats headphones.
Cons: iBeats headphones not as amazing as everything thinks.

Bayan Sonic Air 3
£990
www.bayanaudio.com

It seems we haven't reached saturation point with iPod and iPhone docks just yet. The Bayan Sonic Air 3 is Apple licensed, so you shouldn't have any problems with compatability now or in the near future, and there's something reassuringly chunky and hefty about the looks of this. Sound is more than adequate, although not in the same league as the really high-end docks. But at this price point, you don't expect that. Decent sounding style on a budget? This is your fella.
Pros: Great price, charges while playing, good bang for the buck.
Cons: Not for serious music lovers, what with being just one speaker.

Amazon Kindle Fire
$200
www.amazon.com

There's so much wrong with this effort by Amazon to tablet-up the Kindle, that you'd think it would sink in the water: No GPS, no Bluetooth, not even a camera. All it offers is a bit of cloud storage and some web browsing. Hardly a staggering leap forward. But it's not that simple – with Apple being a bit of a twat about Amazon's app on the iPhone and iPad (making it hard to buy books from Amazon through their devices), then you'll basically want one of these for e-reader access to Amazon's huge catalogue. And when you're on there, the one click purchasing is a pleasure to use. Still, not a great leap forward on your standard Kindle, if we're being honest.
Pros: Cloud storage, great for using with Amazon.
Cons: Sluggish browser, doesn't do much else. ♣

Masked balls...

The problem with masked balls – well, apart from the fact that, you know, we don't get invited to too many – is the masks. Who knows what lies underneath? If you end up with someone like Madelyn, you've lucked out. But it could be Brian Blessed behind there.

"Some friends and I loved the ball in *Eyes Wide Shut*," Madelyn says. "It was so sexy. So now we have them every few months. I'll be honest, they're just fancy swingers parties, but I've tasted a different dick and a different pussy at every single one, so I'm addicted to them and can't wait for the next one!"

The Six Million Dollar Man: The Complete Collection

(Fabulous Films, £199.99)

When they say complete, they mean it. Spread over 40 discs, this exhaustive package spans 5 seasons and 6 TV movies, so be prepared to dedicate a chunk of your life to it. It's worth it, Lee Majors owning the screen as Colonel Steve Austin, an astronaut 'rebuilt' with bionic parts after a plane crash. Working covertly for a government agency, he battles spies, criminals and even androids in a show that deftly combines espionage and sci-fi. Lindsay Wagner and Richard Anderson provide solid support in a 70's throwback that's aged pretty damn well.

Corman's World: Exploits of a Hollywood Rebel

(Anchor Bay Entertainment, DVD £TBC, Blu-ray £TBC)

While your man in the street might not recognise the name Roger Corman, to a certain generation of cineastes he's a legend. As a director and producer of exploitation movies he's shaped the careers of people like Martin Scorsese, Robert De Niro and Jack Nicholson, who, along with many others, line up to pay testament to the man. His quick and cheap production line might not define the term 'quality control', but Corman's influence is huge.

Wilfred: Season One and Two

(Fabulous Films, DVD, £24.99 each)

If you quickly tired of the starrier but infinitely less funny US remake of *Wilfred*, time to give the original a chance. When Adam hooks up with Sarah, she takes him home where he meets his dog. Urban Explorers
(Anchor Bay Entertainment, DVD £15.99, Blu-ray, £19.99)

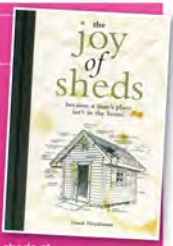
Four adventurous tourists hire a guide to take them to Berlin's hidden Nazi war rooms. Naturally, it all goes tits-up when one of them gets hurt and they turn to Armin, the guardian of the tunnels, for help. Superior surival horror, great jumps and thrills, and a cast who can act. Top stuff. ★★★★

We have three copies of Urban Explorer on DVD to give away. To win one, simply email 'Alto Alto' to clubint@paulraymond.com or write to the usual Club address.

Crows Zero
(MVM, DVD £15.99)

The latest movie from the prolific and always evolving Takashi Miike (director of last year's brilliant *13 Assassins*), *Crows Zero* is *Fight Club* meets *Battle Royale* meets *St. Trinians* and precisely as excellent as that sounds. It's about warring factions in a boys school that looks well overdue some OFSTED intervention. It's violent, visceral and packed full of Miike's trademark visual flair. A huge hit in Japan, a sequel is already on the way. ★★★★

The Joy of Sheds
Frank Hopkinson (Portico, £9.99)



Sheds are highly versatile places. While being almost without peer for storage of items that are better out of sight – a half-empty pot of paint, a rusty ladder – they also function as isles of solitude, sources of inspiration and, of course, occasionally as a masturbatorium. Frank Hopkinson's book celebrates the practicality and lore of sheds, ranging widely from the inside story of major shed companies, the role of sheds in literature, songs about sheds and, vitally, sheds at the movies. *The Great Escape* boasts 117 minutes of shed action, compared to a mere 4 minutes for *Shaun of the Dead*. Now that's the kind of information we need.

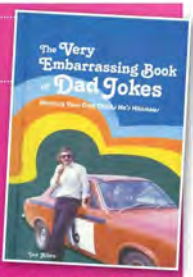
UNHOOKED
THE REHAB OF A LONDON CALL GIRL
Clare Gee

In a somewhat autobiographical novel, Clare Gee, a reformed addict, tells the tale of Katie, a prostitute and drug addict taking a few faltering steps towards recovery and rehab. It's a companion piece to her novel *Hooked*, plotting out the fairy steps of putting aside what you've become, kicking your habits and trying to reinvent yourself in a cruel world. It's not pretty – and the writing itself is often relentlessly blunt, occasionally wearily so – but that's where the power resides in this forceful slice of life.

The Very Embarrassing Book of Dad Jokes
Ian Allen (Portico, £9.99)



In reality, this is just a joke book, but you have to say this is a somewhat clever way to brand a collection of groan-worthy gags. And we all know fathers who would deliver these with a cheeky grin and a glint in their eye, before unburdening themselves of their mirthless efforts. Here live 'classics' like 'What are caterpillars afraid of? Dogerpillars' and 'What's white, fluffy and beats its chest? A meringue-atan'. Still, take the Tim Vine approach and deliver at speed and in volume. Some of those blows have got to land. ♣

BEYOND PHONE SEX!

When my husband John and I got back from a late night out the other week, he just crashed on the sofa to watch some rubbish TV whilst I went to fix us a night-cap. When I came back in with our drinks, I was a little surprised to see two topless girls on screen sharing a slow and passionate kiss. "What the heck is this?" I asked. "Dunno," he said, "I was just flipping through the channels, and this came on." Likely story, I thought, but I had to admit that it looked quite sexy to see the girls snogging, with their breasts squished together between them, so settled down next to John to watch.

There was a blonde and a brunette, dressed pretty much the same in patent black leather stiletto heels – at least four inches high by the look of them – lace-top black stockings, and tiny thong panties. The blonde was wearing hold-ups, but the brunette had a black lace suspender belt to complete her look. The other difference between them was that blondie had quite small boobs – probably no more than a B-cup – whilst the dark-haired girl had a pair that looked probably as big as mine, and I'm a 34DD. Both were clearly natural though – no boob-jobs on show – you could tell by the way they pushed together as the girls kissed, and then regained their shape when they moved apart.

Which is what they did next, whilst the blonde leaned forward and cupped one of her friends big boobs in her hands – she needed both – and lifted it up so that she could take the dark nipple between her lips and give it a little suck. The dark girl must have enjoyed that, because at the same time she lifted her other boob up, and dipped her head down to it to suck on her own nipple.

There was a phone number scrolling along the bottom of the screen, and I asked John what it was for. He replied that I was so you could call the girls up and talk to them. I was tempted to ask him how he knew, seeing as he had just stumbled across this channel tonight, but the sight of the girls kissing and playing with each others' boobs had got me feeling more than a little horny, so instead I reached over and lifted the phone of its cradle, pressing the loud-speaker button on it as I did so.

I dialled the number and got the dreaded automated response. After pressing a few buttons to confirm my details, I got to an option to select which girl I wanted to speak with. Suspecting that the whole thing was a huge con, I selected the option to speak with blondie, and was amazed a few moments later to see her reach down and pick up a phone on screen, and then hear a voice over the loudspeaker in our room say, "Hey, baby, what's your name?" I was so surprised I couldn't speak for a moment, and she said "Come on, baby, don't be shy. What's your name?"

"It's Jo," I stammered. "Oh wow," she said "A girl. I love it when I get a girl caller." Almost immediately a message flashed up on screen that read: 'The babe on the phone is talking to a hot girl!' Well, I have to say that I was pretty happy to be described as a 'hot girl', so when blondie asked "So what do you want to talk about, Jo?" I was ready to have some fun. But before I could say anything more, John piped up and said to the girl, "We want you to take your panties off." I gave John a bit of a look, whilst blondie replied, "Oh, I see that you have a friend with you, Jo. Well, whoever you are, we're not allowed to take our panties off on this channel I'm afraid."

"Yes you are," said John, "so long as you don't show your pussy." It struck me that John seemed to know an awful lot about this programme that he had just 'stumbled across', but I have to say that I was finding the experience quite a turn-on, so I played along and said, "Oh go on, take your panties off for us." blondie giggled, and then said, "All right, I will if you will."

"Tell you what," said John, "If you take your mate's panties off for her, I'll take Jo's off at the same time." Blondie giggled again, then put the phone down and turned to the girl with her,

whispered something in her ear, then reached down and hooked her fingers into the thong panties that she was wearing. The brunette made a show of shaking her head and gently pushing blondie's hands away, but it was obviously just a game because after a few seconds she allowed blondie to peel the panties down over her stockings and shoes, very carefully keeping her leg nearest the camera bent up to shield her pussy from the screen.

At the same time, John had got off the sofa and knelt in front of me. He pushed my skirt up around my waist, and then as I lifted my bottom off the seat to assist, he took hold of the slinky little panties that I was wearing and gently slid them off me. John now had his back to the screen, but I was able see that blondie was wriggling out of her own panties, being just as careful as her friend had been to always position herself so that her pussy was hidden. It was both incredibly frustrating, and at the same time incredibly sexy, to watch the girls moving on screen, getting tantalisingly close to revealing a glimpse of what was between their legs, but always just avoiding doing so.

Blondie picked up her phone again and said, "There you go – panties off. Are yours off too, Jo?" John looked over his shoulder at the TV as though he didn't believe her, and then said, "Yes, I've taken Jo's panties off for her." Both the girls on screen were now facing front, kneeling, each with one hand held open at their groins hiding what I now so badly wanted to see. So I thought that I'd try my luck, and asked, "Do you girls have your pussies waxed completely bare? I do." Blondie looked across to her friend and said, "Let's see." She quickly grabbed her friend's wrist and pulled her hand away from between her legs for a moment, before allowing her to put it back in place. But it was just long enough for me to catch a fleeting glimpse of an ultra-thin dark line of hair in the mid-line. Blondie then whipped her own hand away from her groin for a second, but it was enough to show me that she was indeed – just like me – completely bare down below.

"So now you know," laughed blondie. "What does your pussy look like then?" John was still kneeling in front of me, and he now put his hands on the insides of my knees, and gently spread my legs open. With my skirt bunched up above my waist, and my panties on the floor beside John, this action exposed my cunt to him completely. "It's beautiful," said John, which I thought was sweet. "She's completely smooth. Her outer lips are quite plump, and normally you can't see her inside lips at all. But you must have got her horny, because they are peeking out now, and they look pink and swollen. I can see her clit too, and it looks bigger than normal, like it does when she's turned on."

"Mmm, sounds nice," said blondie, "Give it a lick and tell me how she tastes." John leant forward, and gently separated my outer lips with his finger-tips, which in turn opened my inner lips and left the moist pinks insides of my cunt completely open to him. He dipped his head forward, and took a long, slow lick from just below my pussy opening right up to my clit, where he paused for a second or two to circle it with his tongue, then moved back down and pushed his tongue as far as it would go inside me. "He's licking me now," I said. "I want to watch you licking your friend as well."

> **"He dipped his head and took a long, slow lick from below my pussy up to my clit"**

The brunette re-positioned herself to be on her back with her legs open, still maddeningly keeping her pussy hidden all the time. Blondie manoeuvred herself between her friend's legs, and started some rather theatrical licking movements, all hidden by her friend's raised leg between her and the camera. The brunette was caressing her own large breasts, and moaning loudly enough for me to hear down the open phone line. It was all obviously a bit put-on, but somehow it didn't matter – it still felt horny as hell to know that they were doing what I had instructed them to, and doing it whilst my own pussy was being treated to the tender

attentions of my husband's tongue.

Continuing to watch the girls putting on a lesbian show for the TV audience, I reached down between my own legs and started to firmly rub my clit with the pad of my index finger, whilst my husband continued to lap away at my cunt. "Finger her arse," I said to blondie, who obligingly wagged her middle finger seductively at the camera, before moving it between her friend's legs again. Either John misheard me, or he chose to, because the next thing I knew it was my own arse that was being probed by a finger made sticky from my own juices.

I'm not quite sure what happened next, but I think that I must have had one of those squirting orgasms that you sometimes see on porn films. All I do know is that I felt a sudden wave of pleasure wash over me, accompanied by a surge of fluid between my legs, and the sense that my arse was clamping round John's finger so powerfully that I might break it. When I was finally recovered enough to open my eyes again, I looked down and saw John grinning up at me, his face dripping wet from whatever I had done. He didn't seem to care – he was smiling like the Cheshire Cat, and still had his finger wedged firmly in my anus.

On screen, the girls had shifted position and were kneeling side-by-side facing front again. Blondie had the phone in one hand, and was still modestly covering her pussy with the other, meaning that her little boobs were fully exposed. Her friend however seemed to have forgotten the 'rules', and was cupping her large heavy breasts in her hands, lifting them in turn to her mouth and sucking on her nipples, the thin dark strip of hair between her legs clearly visible. "Sounds like your friend got you off with his tongue, Jo," said blondie. "You're a lucky girl. I think that he deserves a treat now in return, don't you?"

John was still smiling as he undid his trousers and said into the phone, "I'm going to fuck her now, and she wants to watch you two snogging your faces off while I do." On screen the girls turned to face each other and started to kiss – long, slow, deep kisses – with their breasts pushed together so that blondie's pert little tits were almost enveloped in the brunette's massive jugs. John had whipped his now rock-hard cock out in a flash, and was kneeling in front of me positioning it at the sopping wet entrance to my cunt. I reached down

"I knelt on the floor, took his hard cock in my hand and guided it to my mouth"

and pulled my lips open as he slid inside me; although I was so wet I hardly needed to.

John started to rock back and forth on his knees, his cock sliding in and out of me as he did so, to the accompaniment of the sounds down the phone line of the girls exploring each other's mouth with their tongues, and the even wetter slurping noises from my cunt. I watched the TV transfixed, as blondie pulled back from her friend, and pushed her little tits forward to be sucked. The brunette obliged with gusto, taking almost an entire boob in her mouth, and squeezing the other one firmly with her hand. Both girls were being pretty careless now about what they were showing, and as blondie turned to face the camera again I got a clear view of the completely smooth little mound between her legs, and even a hint of pink lips below it.

"I think that he deserves being sucked-off now," she said, as her friend knelt behind her and reached round to cup her boobs whilst nuzzling her neck. John seemed to think that this was a great idea, as he pulled his cock out of me, stood up, and took me by the hand to help me off the sofa. I took a cushion and laid it on the floor in front of him, then knelt on it and took his cock in my hand and guided it in to my mouth. I could taste the strong flavour of my own pussy juice on it as I started to circle around the head with my tongue, and it tasted so good I let it slip out of my mouth for a moment so that I could lick up and down the shaft to clean all my juices off it. "I can taste my cunt on his cock," I said, "I wish I could taste your pussy too."

"Do you like to lick pussy then?" asked blondie in to her phone. "I love licking pussy,"

I said, and I knew that it would turn John on to hear me say it. "I love the way a girl's clit swells up when I suck it, and her cunt gets so wet around my tongue when I finger her arse."

"Why don't you stroke your friend's arse now," said blondie, "Guys love that when they're being sucked off." I'd never tried this before, but I figured if anybody should know how to turn a guy on it would be a girl who did it for a living, so taking John's cock back in to my mouth I reached up between his legs and – pausing to squeeze his balls on the way – let my fingers trail up between his bum cheeks until I felt the sensitive little ring surrounding his arsehole. I began to circle this with my fingers and, when John didn't object, to stroke across it lightly. I must have been doing something right, because I could feel John's cock start to tense in my mouth, so I stopped sucking and concentrated on letting my fingers play back-and-forth over his arse, stroking and tickling that sensitive spot for all I was worth.

Even though I'd stopped sucking, after a minute or two of this I heard John grunt, "I'm going to cum." I could hardly believe that I was making him cum just by playing with his arse, but I pressed my middle finger firmly against his anus in any case, as I heard blondie say excitedly over the phone, "On her face, cum on her face." John didn't need telling twice, and leant back to pull his cock from my mouth, pushing my finger a little way up his arse in doing so. All I could do was close my eyes tight as I felt one, two, then three hot spurts of jizz splash over my nose and cheeks and start to run down to my chin. There was a pause, and thinking that he was done I opened my eyes, just as a fourth and then fifth stream of cum erupted from his cock as he tugged at it with his hand, slightly weaker than the first three, but still powerful enough to cover my chin and lips with a liberal coating of hot sticky spunk.

John sighed deeply, then reached over me and ended our phone call with the girls, who gave a little wave goodbye on screen and went straight back to kissing. I licked the cum from my lips and said, "You could at least have thanked them." John just grinned a little ruefully and replied, "You wait till you see the phone bill!" It was indeed a bit of a horror when it came in, but we both agreed that it had been worth it, and we still tune in most nights to see if 'our' girls are on, and just occasionally treat ourselves to a little 'chat' with them again.

Where we look back at the cock-slurpers who hung up their chaps...

No. 20 – Veronika Zemanova

The most buxom of glamour models, Veronika Zemanova graced the pages of Paul Raymond magazines with great frequency during the 1990s, particularly our sister mag *Mayfair*, with whom she had a contract. Russian-born in 1975, Veronika originally started out as a photographer, but decided to appear in front of the camera when her photography kit was stolen and she needed to pay for replacements. We can only thank the scumbag who nicked her kit, cos they inadvertently gave the rest of us one of the most stunning and big-boobed top shelf models the world had ever known. Veronika was a canny career gal – only appearing in softcore photo sets and videos, never succumbing to the world of hardcore, and continuing her work behind the camera too. She disappeared off the porn scene in the mid-2000s, apparently happy in a relationship and no longer feeling the need to bare her bits for the likes of us. But she had a good ten year run at it (getting a frankly unnecessary boob job along the way). Bet she still looks lush to this day. Please come back, Veronika. WE MISS YOU!

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?
THIS MONTH: Nigella Lawson

Maybe we've had enough of the ceaseless innuendo as she slathers cream all over chocolatey puddings and licks it off her fingers. Maybe we've never been able to shift the image of her dad (Tory MP Nigel Lawson) from our heads whilst thinking about giving her one (seriously, Nige, why did you name your daughter after you? WHY?!?!). Or maybe we've just had enough of TV chefs. Whichever way you look at it, our love affair with Nigella is on the wane. Yeah, she looks great for her age. Yeah, we like 'em buxom (although surely her arteries are fucked?) but unless she's gonna get those milky white funbags out for us to have a proper look at, we're through with being teased. So may we suggest Nigella's new show feature a scene where she puts some whipped cream to proper use (i.e. squirts it on her fanny and gets a celebrity guest to lick it off) before it's too late. Are you listening, Channel 4?

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

NOT FAT, BIG-BONED

The first ever BBW FanFest trade show is slated to happen between July 13th and 15th at the Tuscany Suites and Casino in Las Vegas, USA this year. Now, some of you might be wondering what BBW stands for. Well, it stands for Big Beautiful Woman, and as a fetish genre in the adult world, it's surprisingly popular. "BBW FanFest (*www.BBWFanFest.com*) was born out of the past reluctance of mainstream adult trade shows to reach out to plus size performers," explains Kari, organizer of the event, which will feature over 75 over-sized gals who'll be there to meet with fans. With stalls, onstage entertainment, an award show and seminars planned, it sounds like the place to be if you like your ladies on the hefty side. Just remember to get their early at the banquets.

FAKING IT

An article on geeky website Gizmodo highlighted to us the recent spate of fake YouTube porn videos, and the fact that they're getting millions of dissatisfied views. Using sexy titles and thumbnails to convince horny web surfers they're about to see something fruity, these videos are often anti-porn, or horribly medical, putting even the hardiest Onanist off their stroke. "Just scroll through YouTube's most viewed ever chart, and you'll see the growing list of masturbatory deception. From the thumbnail, it looks like porn. Click it, and you get anti-porn," says Gizmodo. Which begs the question, what fucking moron goes to YouTube for their free porn?

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Typical. You spend months convincing whoever will listen that porn stars aren't just a bunch of bubble-headed bimbos by showing their thoughtful, witty and intelligent outpourings on Twitter, and then someone like bubble-headed (and bubble-boobed) Katie Kox comes along and smushes up all your best-laid plans with bon mots like, "Life is awesome and it makes me happy". Yeah, thanks Katie. Still, the pros outweigh the cons when you consider the titted minx likes nothing more than to upload incredibly regular snapshots of her fine bazongas and to announce on Twitter when she's about to perform live webcams that her followers can look in on. So yeah, you won't learn much if you follow her but you will see a lot of boob. Can't be bad. Check out some of her recent tweets here:

"I got put on medicine to stop falling asleep all day long! Thank god for that"

"Yikes! I'm almost tumbled down the escalator!! Face first!!!"

"Morning everyone. Try to live life to it's fullest today bc u never know when that life may be cut short.don't take anything for granted"

"I bought the cutest clothes for fall today and the most awesome high heels ever! I want to wear all of it today but there's too much lol"

Follow Katie at *www.twitter.com/KatieKox* for regular updates on missed flights, information about how life is great and shouldn't be taken for granted, and breasts.

Top Five... Sexy Best Actresses

Which Oscar-winning lady gives you a little statuette in your pants?

5: Liz Taylor
She nabbed the Oscar in 1960 for *Butterfield 8*, but the glamour icon will always be *Cleopatra* in our eyes. Well fit, and no mistake. So we'll forgive her for knocking about with Michael Jackson and his bloody monkey.

4: Jane Fonda
In 1971, the war-bashing *Barbarella* star won the Academy Award for playing a prozzie in Klute. We'd have gladly paid money for full sexual intercourse with her.

3: Charlize Theron
As beautiful as a woman can get, yet charming Charlize won her statuette for playing ugly serial man-killer Aileen Wuornos in 2003's *Monster*. She scrubbed down well.

2: Grace Kelly
The epitome of beauty, an actual princess who also died in a car accident, Grace won Best Actress in 1954 for *The Country Girl*, a film I'm pretty sure no reader of *Club* has seen. I haven't either.

1: Natalie Portman
Yeah, she's in too many films. Yeah, her award acceptance speeches make us cringe. But look at her. Look. It's Natalie Portman. And she is 100% babe. Disagree and you're wrong. Okay?

Approx 500 Americans die each year from asphyxia during sex or masturbation (ahh, the ol' stranglewank – deadly but fun. But mainly deadly)

According to the World Health Organization, there are approximately 100 million acts of sexual intercourse each day (and none of them in my house)

ALBUM REVIEWS

MADONNA

MDNA (Interscope)

Is she having a midlife crisis or what? MDNA can only mean one thing to you and I – MDMA. You're 53 for Christ's sake – do you really need to record with Nicki Minaj to sell MP3s? This album is dog piss.

THE MARS VOLTA

Noctourniquet (Warners)

If your woman wants to have sex to The Mars Volta then you are one lucky fucker – she's gonna give you the ride of your life. Loud guitars and ferocious vocals will kick start those lovely deepthroat blowjobs she's capable of – whilst you ram a dildo up her arse.

NORTH ATLANTIC OSCILLATION

Fog Electric (KScope)

The NAO provide this month's recommended album for pulling down the knickers of fit intelligent birds. It's basically the Flaming Lips on a come down but students doing history degrees will lap it up. Tempt them into your bedroom with offers of free booze and

ZZ TOP

Live in Germany (Eagle Rock)

GILF lovers will be smiling at the release of ZZ Top's first full length live album – especially when it gets them into bed with some lovely 54 year old ageing beauty who started shaving her fanny at the ripe old age of 43. Get them pissed and they'll do anything.

HATCHAM SOCIAL

About Girls (Fierce Panda)

This would be a fine album to finger trendy fashion students to – a couple in the pussy and maybe a cheeky one in the bum. There are some classy indie tracks on here and it's definitely the best album we've heard this month – get it on your phone and enjoy.

BLOW GOBLIN

Club chats to Orange Goblin front man and mad man, Ben Ward...

What jobs did you do in the past?

Me and the bass player met each other through football – we were YTS apprentices at QPR when we were 16. I was supposed to pursue this career as a footballer but I ended up playing heavy metal and drinking beer. It was a good couple of years – QPR were a top London club at the time and had players like Les Ferdinand and Ray Wilkins.

Did you bang loads of birds when you were there?

No. We were on £35 a week – it wasn't like we were on the verge of making it and playing in the first team or anything – it was a hard slog. We'd have to stay behind after the first team had left and clean all the boots and mop the floors – it wasn't very glamorous.

Have you done any crap jobs?

We used to work behind the bar at Wembley Arena. When we left we said, "We'll be back here playing one day" and they said, "Yeah, everyone says that." Fortunately for us, 6 months later, we were back and we were supporting Alice Cooper. So we'd gone from making the sandwiches in the kitchens to playing on the stage – it was fantastic.

How was Alice Cooper – did you go out on the piss with him?

We didn't really see him a great deal – he just comes in, does his show, and gets off again. On the last night of the tour we got invited into the dressing room to meet him and he was sitting there having a cup of coffee and watching some old kung fu movies. He was very accommodating and very interested in who we were and what we were doing and he was nice.

Out of everywhere you've ever been, where would you recommend the most to the Club readers?

Japan. We were treated pretty much like The Beatles over there – it was insane. We got a bullet train from Osaka into Tokyo and as we were walking through Tokyo station there were teenage girls crying. Our bass player said to one of them, "I don't know why you're crying love – I've got to go back to work and drive a fork lift truck on Monday morning!"

What's the best bit of business you've ever done?

Err, I don't think I've ever done any business worth gloating about – that's why I'm still skint! We managed to escape getting arrested in the south of France when we were driving down to a biker festival that we played down there. The police found a bit of speed in the van but we got out of it by bribing them with some Orange Goblin merchandise. So that was the best business we did – a t shirt and a few CDs meant we didn't spend the night in a French nick.

What's the best thing you've stolen?

When we were in school, me and my mate had this scam going on during the holidays. There was this really expensive book shop in the town we lived in and we used go in there, nick a couple of books, and then sell them to this 2nd hand book shop for half price. We did that for the entire 6 weeks holidays and we were minted.

Where is the most random place you've ever had sex?

On a beach in Italy, in Tuscany It was beautiful.

What sort of ladies do you go for?

Classic curvy brunettes. Plenty of boobs and plenty of bum.

Favourite red light district?

The Reeperbahn in Hamburg. We've played their quite a few times. It's a mile long stretch of sex shops, gun shops, knife shops, bars, and pretty much any sort of filth you could ever want – it's all there in one place and it's brilliant.

Cheers Ben – keep on shaggin'.

A Eulogy For The Damned is out now. Go watch them live this month and shag one of their groupies...

ON THE GAME

Alan Wake

(Nordic Games)

PC

★★★★

Alan Wake, for the Xbox 360, was one of those games that seemingly took forever to come out, after years in development. And when it landed – well, at least it wasn't *Duke Nukem Forever*, even if wasn't the game changer it might have been had it dropped earlier.

It actually seems more at home on PC, the tension, the mood, the sheer darkness well suited to a solo gamer hunched over a monitor. It's an intelligent adventure, with a novel combat mechanic, but somewhat repetitive and falls short of greatness.

UFC Undisputed 3

(THQ)

PS3, Xbox 360

★★★★

Updates to sports games are usually minor. The 2012 version will have updated players and a few minor tweaks from the 2011 version. And that's partly true of *UFC Undisputed 3*, which gives us new fighters, and two new weight classes, bantamweight and featherweight, plus a new PRIDE mode.

But for once, the minor tweaks make a world of difference. Combat is much better, less frustrating and feels more 'natural'. Presentation has come on leaps and bounds as well, allied to a vastly better online experience. Lessons learned.

Mass Effect 3

(EA)

Xbox 360, PS3, PC

★★★★★

There are many reasons to love the *Mass Effect* games. The sprawling story, the combat, the voice of Keith David, gameplay decisions you make actually having an effect. And it's the latter that makes a huge impact here, as players with saved files from the first two *Mass Effect* games will find the choices they made in those games feeding into the experience of *Mass Effect 3*. But even if you haven't played them, this is a joy. Melee combat is improved, as is AI, and online multiplayer can even feed into your single player campaign. Truly, they've pulled out all the stops for the series finale. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL SLUT REBORN!

When my friend, Suzi, asked me to have a threesome, I naturally assumed that it would be with her boyfriend. It wasn't; it was with her boss. I didn't even know that she was shagging him. I thought she'd lost her mind and was quick to say so. Suzi told me that she'd been screwing him for a year and he'd asked her to fix up a threesome. She knew I'd be horrified that she'd been cheating but somehow figured that despite that, I would agree to join in. I told her that she was mad. However, she talked me round, pointing out that I wasn't the one doing the cheating.

When she showed me a picture, I had to admit that he was dishy and I fancied him straight away. Against my better judgement, I agreed to take part.

The plan was that we'd hook-up in a hotel on the other side of town. Suzi and I would wait until he was able to sneak away from home. It turned out that he was married as well! As soon as she told me that, I should have backed out. But it seemed to appeal to me on some dirty level. I spent an hour lying in the bath, frigging my freshly shaved pussy, thinking about letting her boss fuck me. It was all just so naughty!

Suzi didn't tell her boss that I was there. Instead, I was in the bathroom when he arrived and I had to sit and watch my own private sex show whilst Suzi got her pussy pounded. My friend put on a pornographic performance. She didn't just lie back and take it. In between moans, she was gasping how big and hard he was and how wonderful his cock felt in her pussy. She orgasmed loudly, screeching and sighing all the way down.

"Now, I've got a little surprise for you," she said, and clambering off his cock, she wrapped her bra over his face so that he couldn't peek. She pushed the bathroom door fully open and I went and took her place, guiding her boss' cock into my eager pussy. "You can look now," she said. There can't be many guys who've been introduced to a girl who is already impaled on their cock. "This is Eliza." I've never used that particular truncation of 'Elizabeth' but it seemed somehow appropriate. Her boss looked utterly delighted to see me.

"Pleased to meet you," he said, with a grin.

"Yes," I giggled. "It feels like it!" I slid up and down on his cock as Suzi groped my tits from behind. Her hand slid down and I let her frig me. As his hands took over on my tits, Suzi moved in closer. Her left hand was still frigging my clit but her right hand dropped down my back and started playing with my bumhole. I made no attempt to resist as her finger pressed in hard and actually penetrated my arse.

She nuzzled into my hair and whispered really quietly. "I may have mentioned to him how much you like to take it in the arse." My heart skipped a beat. I'd taken it in the bum once years ago and hadn't particularly enjoyed the experience. "Ask him to do it to you... please." I looked at her for a moment, saw the eagerness in her eyes and looked down at her boss.

"Would you like to ass-fuck me?" I purred. I felt his body respond as he nodded enthusiastically. Suzi carefully lubed my arse and his cock. And then she fed it into my bum. I gasped with the shock of having a cock in my arse again. But for some reason, it felt better than the previous time. Perhaps having someone lube my bum properly made the difference. Perhaps I just needed to be ultra horny to get the best out of it. In any case, I was able to ride him. I let myself sink down and got a thrill from knowing that I was impaling myself anally. Once my bum touched his thighs, I was filled with a sense of pride that I had taken his entire rod inside my back passage. It felt nice – in a throbbing 'shouldn't be doing this' kind of way. I clenched my arse muscles, giving him a tight squeeze and we both groaned. It was a really intense sensation having his cock in there, holding my arse open.

I shifted my position so that I was supporting my weight using my arms behind me. By opening my legs, I gave him the best possible view of my tight hole sliding up and down his pole.

It felt great; especially when Suzi started playing with my clit again. Whilst her fingers did wonderful things between my legs, Suzi pulled my hair and called me a slut and an anal whore. No-one had ever treated me like that during sex and I found that I liked it.

"Are you going to cum? Are you going to

"Letting a man pump jizz into my arse was so dirty I had some kind of pre-orgasm"

fucking cum?" she shouted. I was more than ready to orgasm but her boss got there first. He groaned and I felt his semen squirting into me, each fiery jet reported by the delicate walls of my rectum. My body heaved in time with his spurts even before I started to orgasm properly. Letting a man pump his jizz into my arse was so dirty that I found I was having some kind of pre-orgasm. He finished and I felt his cock slip out of my bum but seconds later my empty arse-chamber was roughly filled with his fingers. As Suzi quickened the rhythm on my clitoris, she pulled on my hair hard enough to make me arch backwards. It wasn't hard enough to hurt but it was shockingly domineering. Then she kissed me full on the mouth.

The overall stimulation was extraordinary and my body finally erupted into a powerful orgasm. Wave after wave of ecstasy washed through me from inside my violated backside, from my throbbing clitoris, from where my friend's soft lips were touching against my face and even from my straining scalp where Suzi's fingers were pulling down whilst interwoven with my hair.

I was spent and slipped off the bed. What happened next was even more shocking than the dirty sex had been. Suzi's boss pulled out a wad of notes, counted-out a significant proportion and gave them to me. "Have you got a contact card? I'd like to use you again… and I've got a few mates who would appreciate a girl of your… talents." I'd just been paid for sex – he obviously thought I was some kind of prostitute. I didn't know what to say.

"Don't worry," Suzi said, jumping in. "I've got all of Eliza's details." And with that, they made me get dressed and kicked me out of the room whilst they went back to bed. I was hurt and angry, shocked at my friend's deception. But as I thought about what we'd just done, I got so horny that I actually wanked myself to another orgasm on the bus home. As I used my vibrator back in the safety of my bed, I imagined telling Suzi that it'd be OK for her boss to pass on my contact details to one or two of his friends. I was so horny that no matter how many times I made myself cum, I just couldn't satisfy my sexual need. Perhaps I could use that as a selling point on my card – advertise myself as an insatiable anal slut. That thought made me reach for my vibrator once again… only this time, for the first time, I pushed the buzzing toy deep into my arse. I realised immediately that I'd found what I needed to do to satisfy myself. "Oh, God," I thought. "I'm an anal slut!"

REAM REVENGE!

Although my roommate Gareth has a really cute girlfriend, he also likes to get a little extra on the side. This is what happened when Dawn found out. Having taken the day off work, I was lazily stroking my knob while browsing internet porn, when there was a knock at the door. Answering it wearing only my shorts – which I suppose didn't do much to hide my semi-on – I opened the door to Dawn. "Hi, Dawn," I said. "Can I help you with anything?"

Smiling, Dawn's gaze came to rest on the obvious lump in my shorts. "Can I help you with that?" she inquired, and reached out her hand to stroke it lightly. I stepped back, surprised, and she walked into the room.

"Uh, what's going on?" I asked her.

"It's your lucky day. I just found out that Gareth's been cheating on me, and now it's my turn." Unbuttoning her blouse, she came towards me, looking hungrily at my rapidly growing dick. "It's called revenge," she said, then knelt down in front of me and released my straining dick. I felt her hot breath on my cockhead before she placed her lips on it, and gently wiped it from side to side before opening her hot mouth and sliding my throbbing cock inside.

Now, Gareth had always boasted about how good Dawn was at giving blowjobs, and he wasn't lying! She sucked and slurped at

“She let out a long sigh and I pushed my engorged prick into her A-hole”

my pole until it was rock-hard. Her tongue moved in lazy circles around my balls and her hands reached around behind to squeeze my arse and pull me deeper into her hungry mouth. I was fit to burst when she stood up and led me by the dick to my bedroom.

Dawn quickly undressed and came to where I lay on the bed, straddling my face in a 69 and lowering her sweet pussy to my lips. She was dripping wet, and she moaned as I lapped at her cunt, tickling her clit with my tongue and fingering her bumhole. I felt her take my fat cock back into her mouth with renewed frenzy. She slobbered up and down its length for a while, squeezing the underside to get my pre-cum flowing from the slit, then moved down my body and slid my cock into her slick pussy, cowboy-style. I watched it disappear between the glorious globes of her arse. The feeling of her tight cunt muscles squeezing my meat as she rode me was driving me wild! Once she'd got my cock soaked in her cunt juice, she pulled it out of her twat, saying, "Now do me in the arse!"

Bum sex? Gareth hadn't mentioned anything about this!

Dawn flipped over, raising her lovely arse in the air. As I placed the head of my dick against her brown eye, she let out a long, juddering sigh, and I pushed my engorged prick into her A-hole. I fucked her with long, slow strokes, each of which elicited a muffled animal grunt from Dawn, who had her face buried in a pillow. She reached underneath herself and started frigging her cunt, faster and faster, and I increased the pace.

"Oh God, I'm cumming. Fuck my arse! Fuck it harder!" Dawn yelled, and soon I was slamming my bone in and out of her tight hole. Then her body quivered as her orgasm ripped through her, and she flopped down on the bed. She turned over on her back and said, "Now fuck my tits."

Straddling Dawn's body, I guided my cock between her large, round tits, which she pushed together around my meat. I began to slide back and forth between them as she fingered her nipples, which were standing out like bullets. Every thrust of my dick was met with a swipe of her tongue on the tip. Naturally, I couldn't keep that up for very long and I felt my orgasm beginning to build deep in my balls.

Sensing that I was getting close, Dawn started wanking the length of my cock and fondling my balls. This sent me over the edge, and she gasped as the first spurt of cum flew from my prick and onto her boobs.

She squealed in delight, jerking me faster and sending more thick ropes of cock-juice gushing out. Then, as my orgasm subsided, Dawn smeared my cum all over her tits with the head of my tool. In my opinion, revenge is a dish best served hot!

BROOKE ♣

We want to bond with Brooke...

Brooke has the kind of body that only phrases like 'toned', 'taut' and 'we'd like to get our grubby paws on it' will suffice for. And if she was to enter the most perfect pussy competition, we'd back her all the way.

"That's very kind of you," the LA native says. "I was nervous when I first shaved my pussy bare, as you never know what'll be under there! I've seen some less than pretty pussies myself, up close. But I guess I was lucky. Guys and girls seem to like mine. To be honest, I've tripled the amount of oral sex I get ever since I laid myself bare! ♣

BROOKE

What our well-placed moles are telling us this month...

DOWN THE WIRE

A ROBBERY? PROBABLY

Rotterdam doesn't feature much in these pages – because it's in Holland, and there's not much that happens there, to be honest. They just ride bikes and wear orange. But we doff our cap to the patrons of the t'Haalve Mattje pub on Kleiweg Road who are so rock hard they decided to pretty much ignore an armed robbery happening around them. Youtube footage shows the would-be thief walking into the pub, brandishing a gun and getting exceedingly short shrift. One regular even does the old 'shoulder tap' gag on him. Eventually they work out he's trying to rob the place and chase him down once he legs it from the pub. Useless.

MAIL NAILED!

Self-appointed moral arbiters *The Daily Mail* were up in arms over a teacher who staged a mock kidnapping as a writing exercise. They accused Clive Close of Wincheap Foundation Primary Kent of scaring children stiff and drawing criticism from parents. However, it transpires that parents were impressed with Close's stunt, which also garnered praise from the Deputy Head and pupils – and not a single complaint was received. Instead, Close and his class have since been doing another kind of writing exercise – spotting the inaccuracies and grammar errors in *The Mail*'s hatchet job. Can we go back to school, please?

TRUMPET BLOWING!

We love a bit of jazz here at Raymond Towers. When we're not looking at the nether parts of glamour girls, we're snapping our fingers to Charles Mingus and John Coltrane. So we were as shocked as anyone else when Jazz FM – perhaps the most inoffensive station next to Heart FM – broadcast several minutes of what we imagine a gay porn film would possibly sound like, if we'd seen one. Which we haven't. Mike Vitti's Funky Sensation show was interrupted by the cock wrangling excerpt, prompting listener complaints. A spokesman blamed 'unauthorised activity and inappropriate behaviour in the studio', which we interpret as 'some mug played a tape of some bumming, innit'.

I THEE BLED!

Everyone loves going to weddings – getting pissed, booing the shitty best man's speech, trying to tit up a bridesmaid. But we'd pay good money not to be invited to the nuptials of Isakin Jonsson and Michelle Gustafsson, who got engaged recently. Why? Well, they met in Karsruddens psychiatric hospital in Katrineholm, Sweden. Why were they there? Gustafsson, 23, stabbed a man to death and then drank his blood. Jonsson, by contrast, cut the throat of Helle Christensen, a mother of five, sawed off her head and ate some of her flesh. You do not want the catering job at that wedding. ♣
